

# Workmanship Warranty

SAMPLE — PLACEHOLDER FOR CLIENT PREVIEW

Triple B Co stands behind every project. The terms below describe the workmanship warranty provided with each service line. Final terms are confirmed in the signed proposal for your project.

Service	Duration	Covered against
Sealcoating	12 months	Premature peeling, blistering, or loss of bond attributable to application defect.
Asphalt paving	24 months	Material/workmanship defects in the paved surface under normal commercial traffic.
Mill & overlay	24 months	Bond-line failure, premature raveling, or surface defects attributable to installation.
Crack filling	12 months	Adhesion failure on filled cracks $\geq$ 1/4 inch wide, when surface was sound at install.
Line striping	12 months	Premature fading or peeling under normal traffic, on properly prepared substrate.
Repair / patch	12 months	Bond/adhesion failure on patched areas under normal commercial traffic.

## Exclusions

This warranty does not cover damage caused by: (a) heavy vehicles or equipment exceeding the design load; (b) chemical spills, oil drip, or solvent damage; (c) cracking due to base or subgrade movement outside our scope; (d) acts of nature including floods, freeze-thaw extremes, and seismic events; (e) third-party work performed on the surface; (f) failure to observe stated cure times before vehicular traffic.

## Claim process

Notify Triple B Co in writing within 30 days of discovery at **bids@example.com** or **(555) 123-4567**. Include site address, photos of the affected area, and the original proposal/invoice number. We will schedule a site inspection within 10 business days and provide a remediation plan within 15 business days of inspection.

## Insurance & bonding

We carry General Liability (\$SAMPLE\_GL\_PER\_OCC / \$SAMPLE\_GL\_AGG), Auto Liability (\$SAMPLE\_AUTO\_CSL), and Workers' Compensation per state statute. Certificates of Insurance with additional-insured endorsements available on request. Bonding capacity available up to \$SAMPLE\_BOND\_SINGLE per project.
